- 7.1. The animal control officer may seize and impound a dog in enforcing this By-law. If the animal control officer seizes and impounds a dog, the animal control officer shall take the dog to the pound. The animal control officer shall, if the owner of the dog is known to the animal control officer, notify the owner that the dog has been seized and impounded, that the dog may be redeemed from impoundment on the owner meeting certain terms including paying the impoundment fees set out in Schedule A and the Municipality's enforcement costs, and that if the dog is not redeemed within five days of the date of impoundment, the dog may be sold, surrendered to a rescue or euthanized humanely. The animal control officer shall, if the owner is known to the animal control officer, notify the owner of the euthanization. If the owner is unknown to the animal control officer, the animal control officer shall post a notice with this same information in the municipal office and on the municipal website.
